**“I will keep my eyes always on the Lord. With him at my right hand, I will not be shaken.”**                      **Psalm 16:8**

God of Peace,  
We pray for your church.  
For our parish and the communities.  
For our brothers and sisters around the world.  
Strengthen and encourage us Lord.  
As we settle into new rhythms of life,  
we remember those who have suffered  
and are struggling with the effects  
of the last few months.

Amen

*(Church of Scotland)*

“Praise the Lord! Sing a new song to the Lord; praise him in the assembly of his faithful people!”

Psalm 149:1

*Father God,*

*As some of us are able to come together again in our church building, we thank you for this progress. We know Your Church is not a building, it is Your people, all over the world. We have all learnt how to 'sing new songs' over the last few months, and for that we also offer our heartfelt thanks. Although those gathering in the church building will not be able, at present, to literally sing, our hearts will sing with praise to You, even though no words leave our lips. All of Your Church will continue to rise up and sing songs of joy, and spread the good news of the gospel – no matter where we are, or who we are with, or even if we are on our own, we know You are always with us, loving us and guiding us. Help us as we go forward.*

*Amen*

**“Be determined and confident. Do not be afraid of them. Your God, the LORD himself, will be with you. He will not fail you or abandon you.”**

Deuteronomy 31:6

**Lord, as we gradually move forward, help us not to be afraid, but to put everything into Your hands. When we feel fear – of the present or of the future – teach us to bring it to You in prayer. We thank You, Father, that You are always there, always listen to us, and guide us to make the right decisions, with the help of Your Hbly Spirit, living in each one of us**

**Amen**

**“Go to the Lord for help; and worship him continually.” Psalm 105:4**

Living God, we thank you that we can always come to you for help – no matter what the problem is. Forgive us that we forget to thank You, praise You and worship You continually, especially in these days. As we gradually adjust to a 'new normal', help us Lord to remember the lessons we have learnt in lockdown and help us to encourage each other in our faith and the spreading of Your Word.

Amen

"The land has produced its harvest; God, our God, has blessed us.  
God has blessed us; may all people everywhere honour him!"  
Psalm 67: 6-7

Loving heavenly Father,

In this season of harvest, we thank You for the riot of colour, the amazing tastes, the shapes and the choice of produce we can enjoy. Year after year, this abundant earth pours out its wonderful harvest and yet, generous God, so often we give you little thanks. We remember the people who work, through all weathers, to bring us this harvest - from farmers to packers to carriers to shops, and recognise our need to thank them more than once a year - especially in this unique year. Help us to remember all of these people when we next take a grape from the fruit bowl, or pour a glass of milk.

And, Lord, let our minds pause also in grateful contemplation of your abundant, everlasting love for each one of us. Your earth produces enough food for everyone, but not for everyone's greed. Strengthen the hands of the aid agencies, Father, and reorder the priorities of governments worldwide, and move the hearts of all of us to recognise the face of Christ in the plight of the hungry. For what we have received, make us truly thankful.

Amen.
