November 2020*

"May God, the source of hope fill you with all joy and peace by means of your faith in him, so that your hope will continue to grow by the power of the Holy Spirit."

Romans 15:13

Father,

*In this ever-changing world, where the way ahead is uncertain, help us to remember that the one thing that will **never** change is Your amazing grace, love and forgiveness. Help us all to be encouraged in heart and united in love. Help us to remember, and share, that Your Church is not a building, but a body of people. Although the way ahead is uncertain, help us to be faithful in what we can do, with and for each other.*

Amen

Today, Lord,

*May I be a support, not a stumbling block
to those who make sacrifices for others.*

*May I seek to serve, not to dominate,
in my relationships and tasks.*

*May I be a welcomer and not a shunner,
of vulnerable ones who seek Your company.*

Today, Lord,

May it be the Christ in me

that others see. Amen

(Pray Now writers group, from 'People of the Way')

Keep your roots deep in him, build your lives on him, and become stronger in your faith, as you were taught. And be filled with thanksgiving.

Colossians 2:7

Lord,

We have probably all heard the expression 'God moves in mysterious ways, His wonders to perform', but help us to think through what this really means. We may not understand Your ways, or perhaps even Your wonders, but what we do know is that our trust is firmly in You. Help us to find new ways of communicating with, and encouraging, each other, to trust in the Gospel and to take advantage of every opportunity You give us to share this message and your unfailing love for each one of us – whether we know You yet or not. As the COVID virus continues to spread, help us to share Your Word, and show Your love, in everything we say and everything we do.

Amen

"Be wise in the way you act towards those who are not believers, making good use of every opportunity you have. Your speech should always be pleasant and interesting, and you should know how to give the right answer to everyone."

Colossians 4:5-6

Gracious God,

*In November, the natural world is closing down for winter. The days are getting shorter and a chill slides under the door. Help us not to close down our hopes and dreams, our warmth and welcome. Keep us hospitable to others and open to You.
Amen*

(John Pritchard)

"The peace that Christ gives is to guide you in the decisions you make; for it is to this peace that God has called you together in the one body. And be thankful."

Colossians 3:15

Lord God,

We remember again, in serious silence, the anguish and carnage of war, and reflect again on our capacity for hatred and violence. Hold back, we pray, the people of war, and encourage and strengthen the people of peace, throughout Your broken world. At this time of Remembrance, we think of all those who have made the ultimate sacrifice – their lives – to keep others safe, and of our Saviour Jesus, who gave His life that we may live.

We pray also for those for whom this month, and this year, will bring memories of loss, and for those who suffer from depression and the absence of light. Give them Your light, we pray and, in this light, may they see the stirrings of hope.

Amen
