NEWS

~~~~~  
**Transform Trade is 40!** This charity used to be known as Traidcraft Exchange, and we have been raising money for them over the years with Big Brews and Fairtrade Coffee Mornings. They have asked their supporters to target £400 this year, and at the coffee morning on **Saturday 21 March, 10am-12noon** in **Kinross Church Centre** we are likely to raise around £200. If 40 of us donated another £5 between now and then we could send Transform Trade £400. We have a collecting box on the table, and I hope we can achieve this target. Here is an example of the sort of work Transform Trade does:

- Rukia grows and processes sunflower seeds in Tanzania
- Paul is a tea farmer in Kenya and is fighting for a fairer deal for tea farmers
- Bahati in India is part of a Women's Federation of Farmers who manage a community seedbank and train in sustainable farming
- Prema leads a group of women in India who embroider textiles, they can work from home and earn an income while caring for their families.

These are examples of the people that Transform Trade supports and we can help with our contributions. We will have a collecting box on the stall. Thank you. Fairtrade team.

**Used stamps:** although the Church of Scotland Stamp Appeal has now ended please continue to bring in your used stamps as we are supporting Alzheimer Scotland (charity number SC022315). Thank you.
