## 'There is a Joy in Footing Slow Across a Silent Plain' (John Keats)

The Fife Pilgrim Way passes close to Kinross and its pilgrimage theme strikes a chord with local Christians. Three members of our congregation (at least) walked it last year and contributed to an article about the Way in the May *Kinross Community Newsletter*.

Details of the route, maps and a guide book can be found at:  
<https://fifecoastandcountrysidetrust.co.uk/walks/fife-pilgrim-way/>

## Seeking a Creative Editor for Kin-nections

Our church magazine is produced by a small editorial team and is distributed among the membership and wider community in print and digital form, sharing Church family news, prayers and reflections and features about local and national mission and discipleship.

We have been seeking a Creative Editor to share their design flair and desktop publishing skills to bring together the articles and features which have been submitted. Currently produced using an outline template in Publisher but previously produced on a Mac. The magazine is produced four times a year, so it's busy for a couple of weeks each quarter then quiet again! It can all be done remotely. Lots of support given. Could **you** be the person we are looking for?

**We need you – without a Creative Editor we can no longer produce our magazine. This is again a shortened edition and could be our last.**

Please give this role your prayerful consideration.

# FROM THE MANSE...

## Dear Friends

One of the graces that Paul expresses gratitude for when he writes to the church in Philippi is their generosity, and that is something that I often have cause to give thanks for in our own context here in Kinross. During lockdown when many congregations struggled to make ends meet financially, we were blessed by continued generous giving and our treasurer has remarked on that repeatedly over the last couple of years. When an opportunity was given last October to take part in the **National Giving Day** set apart by the General Assembly to help congregations it was decided that we in Kinross should take a thank-offering from which all proceeds would be used to support community groups many of whom were struggling financially as a result of the pandemic. Some £5,500 was gifted and it has been agreed to disburse this to support **Broke Not Broken** to support those struggling with energy bills, **Kinross Centre** to support the elderly, **An Cala** to support those with complex disabilities, **Kinross Otters** to support their adversity fund, **Traidcraft gift bags** for individuals in need of encouragement, and a contribution towards a project to **develop our church garden as a community space** to benefit young and old alike. Please pray that this will be a blessing to many in our community.

At our recent Kirk Session meeting we received news from our partner church in Debrecen about support they are giving to **help renovate a property owned by a Hungarian Reformed congregation in Ukraine to give shelter to refugees**. It was decided to make an immediate donation of £4,000 towards the renovations from our church funds and to invite any in our congregation who wish to contribute additional funds for ongoing support in the months ahead (p10). It is our privilege to be able to support those in need at this time and we pray that this too will be a blessing.

Of course there are other ways to be generous than by giving money and it is my prayer at this challenging time in our own church life locally and nationally that many will also be moved to generosity of their time and of their gifts and skills. There are various tasks needing to be done and currently few volunteers coming forward to take them up. Paul writes of the Philippians that "they gave themselves first of all to the Lord and then by the will of God also to us." (2 Cor.8:5) May the same be said of us.

With gratitude to God,  
Alan

Rev A. D. Reid

# MINISTRY UPDATES

*Ian spent six months with us as part of his training for Ordained Local Ministry*

## **A message from Ian Morrison**

The girls and I have just returned from our holiday in Yorkshire, in a small village with poor internet and mobile phone coverage. I'm not sure the girls enjoyed being disconnected from the modern world but I really appreciated the chance to pause and reflect, especially on the last six months.

I still remember my first day when Alan showed me around the church, we visited the Kinross (Day) Centre and had a coffee on the High Street. At that time, I wasn't sure what I needed in my training, but I knew God would provide me with the best experience and every opportunity to develop as a student Minister. Looking back, I am so grateful that He brought me to Kinross.

Alan has been an incredible mentor and a great friend. I've been very blessed to have such a patient and prayerful guide, and can't thank him enough for his support. Although we don't have our regular Monday meetings any more, I've discovered we can still meet at Presbytery and fraternal, and I'm grateful for the opportunity to stay in touch.

I'd also like to thank you all as a congregation for the welcome you've given me during my placement. Training for the Ministry has its ups and downs but your warmth and support each Sunday has been a real source of strength. I'll miss spending time with you in meetings, Bible studies and house groups. I will miss these times of fellowship very much.

My girls wanted me to thank you for welcoming them so warmly each Sunday too. As I've mentioned before, they were only planning to come along to my first service, but enjoyed sharing worship so much that they decided to stay for the full six months!

Finally, I'd like to thank you all for my gift of a holding cross. I'll treasure it and the memories of our time together. I'm looking forward to seeing you all again soon.

*With blessings,*

***Ian, Susan, Rebecca and Elizabeth***

## **Giving Thanks and Prayers for those in Ministry Training**

Kinross Parish Church is blessed in having many who have been moved to serve our Lord through ministry. Please remember in your prayers **Anne Redpath** and **Andrea Fraser** who undertake the final stage of their ministry training as probationers. As we give thanks for **Ian Morrison** who has completed his time with us, pray for **Alan McKay**, a candidate for full-time ministry who will be joining us for his second placement in the autumn. Please also pray for **Rob Pettifer** who attends selection conference at the end of May and waits to hear if he has been accepted as a candidate for full time ministry. **Rev Austin Wicks** and his wife **Alicia** from the USA will be joining us in August for a year as part of his admission process into the Church of Scotland (the same process which brought us **Rev Kathy Dain**). We all have a part to play in their support, but please pray for our Minister whose guidance will nurture their development.

## **Rev Kathy Dain**

*Kathy Dain joined us from the USA in March 2020 for a year's placement as part of her admission process to the Church of Scotland. She is now back in America.*

In January this year I was lucky enough to travel to Florida to stay with Kathy for a couple of weeks. The first morning I was able to sit in on a meeting in Church regarding the next two Sunday worships. I discovered that on the second Sunday not only was I doing a reading I was leading worship! Such is Kathy's leadership and belief in people that she put me forward for this!

Kathy is settled into her work as Transitional Minister of First Presbyterian Church of Tequesta. I am sure by the time she is finished it will be a well-oiled, caring community!

As for my holiday it was equally well considered – visits to exhibitions, museums, Epcot at Disney and the West Coast to name a few – all under glorious sunshine. Thanks to Kathy for this opportunity and hopefully we will all see her again soon.

*Enid Campbell*

### All Friends Together

We were beginning to wonder if it would ever happen but, after more than two years of seeing everyone on Zoom, in April we finally got together in person, and it felt great. Some of our members could not join us because of Covid, but those who could come enjoyed the singing (which the musicians declared was so much better than singing on Zoom!), egg painting and a small fellowship meal. We also rehearsed our contribution for the annual holiday weekend of Prospects Across Scotland in May . We were telling the story of Saul on the road to Damascus and we all agreed that Owen (our Saul/Paul) deserved an Oscar for the way he fell onto the road when he was blinded by the light of God! It was lovely being back together again.

All Friends Together welcomes adults with special needs to a monthly celebration of Jesus.

### All Age Worship on Sunday Mornings

*Whatever age your child or young person is, we'd love to welcome them on Sunday mornings. We hope that you will all feel comfortable and welcome in our church family, and enjoy worshipping with us.*

As we continue our journey towards intergenerational worship on a Sunday morning, we are looking for ways to include those of every age group in our services. We have a family time each week exploring the Bible passage of the day using drama, music and Bible activities to encourage the whole family to grow in faith together. If you enjoy sharing creative ideas, leading from the front or taking part in drama, then please join us. It's always a team effort. Speak to anyone who's taking part, for more information.

In the later part of the service, where the message is aimed towards adults, there is a growing team of people who are willing to take the children out of the main sanctuary in order to explore the Bible theme in an age-appropriate way. When the weather is nice, they're able to make use of our church garden.

Our teens have the option to go upstairs to engage in quiet activities while the sermon is relayed through the speaker system. That way they can be part of the service while perhaps doing a jigsaw together and sharing some food and drink.

We have been delighted to welcome some babies to church, and the new discipleship corner has also become the perfect place for the babies in prams to have a sleep or a bit of floor space to play. We also have toddler toys available.

### Crossfire

#### Start the Week with Faith, Food and Fun

On **Sunday evenings** this term, young people who are aged P7 and above are very welcome to come along to the church **between 7pm and 8.30pm**. It's a chance to have fun, chat about the Bible, eat some good food and catch up with friends.

### STOP PRESS

We look forward to welcoming **Rev Austin Wicks** and his wife **Alicia** to Kinross in August.

Austin will be sharing more about himself in the coming weeks before they arrive.

We pray that all the final official documentation and practical arrangements at both sides of the Atlantic go smoothly.

We believe in a God who hears and answers prayers. You can also make a prayer request, anonymously if you wish, via our church website.

## #Let'sDoItFair!

**TRAIDCRAFT**  
Fighting poverty through trade

The farmers and producers of many of our Fairtrade products are having a very difficult time at present, because of climate change, the effects of Covid and the major increase in transport costs globally. More than ever they need our support, so if you can consider buying from the stall on a Sunday, we have a wide variety of goods for everyday use and for small gifts for a friend or family member. Please come and have a look, now that we can once again meet after the service in church. Also we can still provide a free delivery service, just contact the Church Office and the team can contact you! *The Traidcraft Team*

## The Queen's Green Canopy

On 18 and 21 March 2022 a total of 90 individuals from the Kinross community planted 150 trees on Jubilee Avenue between the Montgomery and Bruce golf courses and the Market Park. A further 50 trees were planted by Kinross Estates around the golf course. The event was organised by Kinross Parish Church Eco-Team who were given saplings by the Woodlands Trust to plant in celebration of the Queen's Platinum Jubilee. The planting involved all age groups, from families to community organisations such as Rotary, KYTHE, Kinross-Shire Climate Café and Kinross Community Council.

Not only was this a great day involving planting trees as part of the Queen's Green Canopy, it also provides the opportunity to reduce our carbon footprint in Kinross. *Jim Smith*

## New Mission Plan

Kirk Session met with representatives of Perth Presbytery on 7 April to discuss and ask questions about the new Presbytery Mission Plan. This interim report sets out proposals for the vision that the Presbytery's Planning and Development Committee has for all the churches in the Presbytery.

Kinross Parish Church would be part of 'Network One, Loch Leven Churches' with Orwell and Portmoak, Cleish and Fossoway, and Arngask (Glenfarg). This network would be allocated two ministers – a reduction from three ministers currently – and the church buildings at Cleish, Portmoak and Glenfarg would close.

Session Clerk, Jaffrey Weir says: "There is a lot to be discussed internally, and with other churches, and existing ministers in planning for the future. This change will be gradual and will involve all of us on how we, as an area, make the changes necessary so that we can be sustainable and build Christ's Kingdom in Kinross-shire through Mission and Outreach now and in the future. We all need to be aware and keep in our thoughts and prayers the ministers, all the congregations and the Kirk Sessions as hard decisions will need to be made over the coming years."

## Conference Report: Recharging the Eldership

Over 150 elders, including Kathleen Weir, Robert Mitchell and Gordon McFarlane from our church, attended a recent, over-subscribed, conference in Glasgow on Recharging the Eldership.

The conference was organised by Robert Hynd, Moderator of the Presbytery of Glasgow and himself an elder. Guest speakers included the Moderator of the General Assembly, Lord Wallace of Tankerness, and Dave Kendall, Chief Officer of the Church, both of whom are elders, as well as ministers and elders from all parts of Scotland.

Robert Hynd said: "With our Church facing a future in which there will be fewer ministers, it is surely more important than ever that we recognise the contributions which elders can make. It felt like the perfect moment to look at how we can develop and recharge the eldership so that it can best serve the Church."

(Based on information in *Life and Work*)

Kathleen Weir said: "It was an inspiring day, very aptly named. It gave us an excellent opportunity to discuss and share ideas with elders from other churches."

## The Stephen Lyon Organisation

Scottish Charity No: SC050446

### JUNE COMMUNION SPECIAL COLLECTION

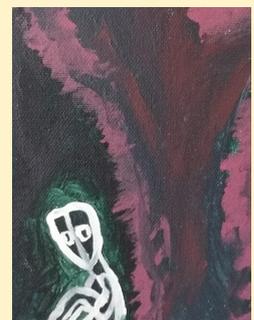

Based in Kinross, the Stephen Lyon Organisation empowers those experiencing suicidal thoughts or struggling with aspects of their life to take back control.

It was set up after the death of Stephen Lyon from suicide in June 2020. He was only 21 years old and had shown no significant signs that he was struggling or having suicidal thoughts. Stephen's death was very sudden and the emotional pain of losing Stephen stimulated his family to set up a foundation in his memory.

The organisation delivers workshops to young people 14 years plus to raise awareness and help them understand the factors that influence suicidal thoughts and where they should go to for help. It takes referrals for those 16 years plus from a range of sources including self-referral. The organisation is led by a board of trustees and has a passionate team of volunteers and staff.

This charity has been chosen by the Kirk Session for our special collection and is commended to you. You are invited, if you are able, to bring a donation on 5 June or visit the Giving page of our website [www.kinrossparishchurch.org/giving](http://www.kinrossparishchurch.org/giving) to donate online. Thank you.

## Can you give any of your time and talents to support the life and ministries of the congregation?

Whether your skills are creative, pastoral, technical or practical; whether you can support remotely or in-person; whether you can offer regular or occasional help, your gifts will always be welcome.

Join our **Welcome Team!** Coming through the door on a Sunday morning can be daunting. To be greeted by someone who shows warmth and sensitivity can make a real difference. Or perhaps you can serve teas after the Service?

★ Love helping **children and young people**? There are lots of roles!

Could you help with any aspects of **maintaining our Church properties and grounds**? From keeping our buildings wind and weather tight to decoration, gardening, putting out the bins, Health and Safety, stewarding for external lets, IT, AV or advice on property?

★ Could you do a **reading or a prayer**?

**Pastoral Group** is looking for new members. The subgroups (Visiting and Bereavement) visit one or two folks regularly or keep in contact with those who have lost a loved one, to let these folks know the Church has a concern for them. Is this a role for you?

★ **Love words?** Writing, editing, creating? Perhaps you might like a role in comms?

★ **Disability awareness:** we need to break down barriers faced by disabled people in Christian life. Is this something you feel passionate about and could help us with?

Please don't be shy! Speak with the Minister or contact the Church Office. We would love to hear from you.

## Church Social Event Barbecue

After two years of lockdown, we want to spend some time together as a church family.

Various social events are being planned. Please join us after the morning service on **Sunday 26 June** for a barbecue in the church garden.

Bring along your picnic rug or your deckchairs and you'll be served burgers, hot dogs, drinks and more (vegetarian and gluten free options available).

This would be a great week to invite a friend. If it's very wet, we can eat inside!

## Kinross Parish Church Part-Time Church Office Coordinator

20 hours per week over 5 or 4 weekday mornings to include Monday, Thursday and Friday, with element of remote working considered.

Our current Church Office Coordinator is stepping down after a fantastic effort steering KPC through the challenges of Covid over the past year and we are looking to fill this key role. Do you have previous office experience, good IT skills, along with excellent organisational and communication skills and enjoy working with people?

Since its establishment in 2010, the Church Office has been functioning as an administrative support for KPC's active ministries, for all users of the office and in coordinating the hire of the Church and Church Centre. This is undertaken by a paid Office Coordinator with some volunteer support. The tasks are wide-ranging and no two days are the same!

Like all jobs, the Coordinator role had to adapt and develop during the pandemic to meet the challenges of safely delivering what was needed, requiring acquisition of new, more technical skills and agile responses to changing situations but now, thankfully, we are returning to a more consistent pattern of work.

You will be a key point of contact for the congregation, community and beyond so, if you are talented in ensuring that an organisation runs smoothly, have a heart for getting alongside people and helping make things happen, we would love to hear from you.

For informal enquiries, please contact Alice Getley on 01577 863395.

Job description and salary details available from Alison Brown [alisonmdollar@hotmail.com](mailto:alisonmdollar@hotmail.com).

Closing date for applications (CV with names of 2 referees please):

**Monday 6 June at 12 noon** to [alisonmdollar@hotmail.com](mailto:alisonmdollar@hotmail.com)

## How can we support Ukrainian refugees?

We are partnered with the Great Church, Debrecen, Hungary, which is supporting refugees from adjacent Ukraine. We have been in touch with them to explore how best to support their work.

They have been supporting a congregation in Ukraine itself, at **Csongor**, close to the Hungarian border. The Csongor church has been looking after displaced families and now has a longer-term project, which the Great Church is supporting, to renovate a building as a 'shelter-house' (estimate US\$15,000), providing accommodation for doctors and temporary accommodation for refugees. The Great Church has recommended this project to us as a way of giving long-term support. This appeal is commended to you by the Kirk Session. Please see our website Giving page <https://www.kinrossparishchurch.org/giving> to make a donation marked 'Ukraine' or bring an envelope to church. Further details in our Intimations.

## A Refugee Church

As this is being written, the plight of the many millions of refugees fleeing the war in Ukraine is very much at the front of our minds – and rightly so. Also, only a few months ago, we were concerned about the many refugees fleeing Afghanistan as a result of the Taliban take over. It is not well recognised that the global church is a *refugee* church.

According to the UN High Commissioner for Refugees, by mid-2021 the number of forcibly displaced people worldwide had surpassed 84 million. Many of these are Christians. The majority are displaced through violence, like the Christians among the millions fleeing for their lives in Afghanistan. In countries such as Burkina Faso, Mali, Niger and Nigeria, churches and communities have been attacked. Sadly, also, Christians from places like Iran leave because they have simply had enough of the daily struggle against severe discrimination.

However, life on the move or in refugee camps can be even more fragile and exposes Christians to discrimination, extortion, human trafficking and rape. Thankfully, there are Christian charities, such as Help the Persecuted (<https://htp.org>), Samaritan's Purse (<https://www.samaritans-purse.co.uk>) and SIM (<https://sim.co.uk>), among several organisations seeking to help such refugees. Their websites give information about their work and how you can support it.

## Feed the hungry!

Christian Aid Week 15-21 May 2022

The focus of Christian Aid Week 2022 was on providing food for the hungry in Zimbabwe where seven out of ten women rely on farming to earn a living and provide food for their families. Climate change has led to drought and with no rain women can't grow enough food.

### Here's how we can help...

Based on an approximate cost of £1 for a loaf of bread, and a typical family size, every £365 we raise will be enough to provide a hungry family with their daily bread for a whole year. Let's raise enough dough to feed 5,000!

### Here's how you can help...

- ◇ Donate online via our **Give Star** page <https://giving.give-star.com/online/christian-aid/kinross-bread-of-life-challenge> or use the QR code
- ◇ Raise **£365** to provide daily bread to a family for a year

Although Christian Aid Week 2022 will have passed by the time you read this, the online donations page at Give Star is open until **5 June**.
