# FROM THE MANSE...

## Dear Friends

There are three great festivals in the Church's calendar - Christmas, Easter and Pentecost. It is the first of these that most people find it easiest to get their heads around and it should come as no surprise that it is the most attractive of the Church's celebrations to people who otherwise would not think of coming to worship. In the Church's calendar Christmas is prepared for by the four weeks of Advent and is celebrated for the famous 12 days. By contrast, the world celebrates Christmas for months.

When it comes to Easter, whilst Easter day itself often sees large Church attendances, few wish to do more than celebrate the good news of resurrection by plumbing the depth of the suffering that give the Easter message its depth. The Church prepares for Easter with the seven weeks of Lent and celebrates the resurrection for a further seven weeks. By contrast, the world exchanges the message of death and resurrection for a celebration of the new life of spring with its eggs, lambs and rabbits.

The Day of Pentecost, celebrating the gift of the Holy Spirit to the first disciples, falls seven weeks after Easter (this year on 28 May) and marks the beginning of a season in the Church's calendar that runs all the way through to the beginning of Advent - half the year, in fact. Yet, although Pentecost is in some ways the most significant of the Christian festivals, it remains a mystery to many in the Church and a complete unknown to the wider world.

So let me invite you to join me in really celebrating Pentecost this year and let me ask you to commit yourself to inviting the Holy Spirit to do the same work of turning the world upside down in you and me, in Kinross Parish Church and in our community, in our nation and in our world as was evident in and through the first Christians.

One of the earliest and simplest prayers of the universal Church is also one of the most powerful: 'Come, Holy Spirit!' Don't just say the words but make them the prayer of your heart. Let them become what you breathe every day of this Pentecost season (that is from now until Advent!). Then let's see what God will do. Come, Holy Spirit. Come and make your home in my heart, in our Church, in our community, our nation, our world, that Jesus may be known and that the ways of God's Kingdom may prevail.

Your brother in Christ,

Alan  
Rev. A.D. Reid

# TIME FOR PRAYER

- Every Sunday evening at 6pm there is an opportunity to gather with others to pray via Zoom (online or by telephone) - the link is published in the weekly email
- On the first Monday of the month at 8am there is a time of guided meditation in the church: 5 June, 3 July, no August meeting
- On the third Thursday of the month at 9pm you are invited to the late evening monastic prayer service of Compline in the church: 15 June, 20 July & 17 August

## Welcome to Kin-nections

We hope you find many items of interest in this issue of Kin-nections. As we head towards the summer and many groups take a break, our theme is Rest and Reflection. Our thanks to Brenda Frier for the cover image. Feel free to pass on your copy to a neighbour or friend or request additional copies.

Would an online magazine suit you better? Kin-nections may be read online at [www.kinrossparishchurch.org/news/kin-nections-magazine](http://www.kinrossparishchurch.org/news/kin-nections-magazine) or ask for the quarterly email with a direct link to the digital version. Just let us know (contact [office@kinrossparishchurch.org](mailto:office@kinrossparishchurch.org)) if you no longer need a print copy.

CORONATION

## REV ANDREA FRASER

A number from our congregation witnessed our member Andrea Fraser being ordained to the Ministry of Word and Sacrament at a service in Dalgety Parish Church on 22 March. Our congratulations and prayerful best wishes to Andrea.

## ALAN MCKAY

Alan has completed his placement with us and his training for ministry now continues at Dunblane Cathedral. We thank him for all he contributed to our Church life, including his insightful preaching. Our warmest good wishes go to Alan, Emily, Cameron and Lewis as they continue on Alan's ministry journey.

## Reflecting on our Time in Kinross

We did not know what Kinross would be like when we first flew here from the USA last summer. Our arrival followed a couple of stressed years and difficult times. It was a gamble for us as we put everything we had on the line to follow Austin's call. With the help of what felt like divine blessings through the troubles we encountered, we made it here. It has been worth it for us so far.

The time in Kinross has been a time of healing and reinvestment in ourselves. It may not always be restful or without work, but the Church, the community and the atmosphere has been a gift from God. We do not know where we will be in a year from now, but we know that we have been able to learn to take a moment and breathe again – a blessing that will guide us into the future.

**Alicia Wicks**

## Becoming a Member

Our Church is open to all and you do not have to be a member to attend any of our services or activities. If you are ready to commit yourself to following Jesus Christ and to playing an active part in the life of the Church, we would invite you to consider becoming a member. If you have been a member of a Church elsewhere, we can arrange for you to transfer to Kinross Parish Church. If you are new to the Christian faith, you are welcome to join an enquirers' group to explore the Church's teachings and decide whether you wish to make a public profession of faith in Christ and become a member of the Church.

If you do not wish to become a member formally you may ask for your name to be added to the roll of adherents. Becoming an adherent allows us to include you more in the life of the Church, for example by ensuring, if you wish it, that you have a Pastoral Elder and receive the church magazine. Please be in touch with the Minister or Session Clerk direct or via the Church Office. You are warmly welcome!

## Being Part of Church Life

We encourage one another to grow in Christ and there are a myriad of ways to journey together in faith. If you would like to volunteer there is a place for you, whether your skills are pastoral, practical, educational, digital, administrative or creative.

Our website [www.kinrossparishchurch.org](http://www.kinrossparishchurch.org) is a good source of information.

For example, Sunday worship brings together those who enjoy singing, lesson reading, writing prayers, teaching our young people, story telling, welcome duty, AV team, refreshments, Fairtrade stall and flowers. Everyone is equally welcome to take part, whether new to our congregation or long-established. There is no need to wait to be asked, so please be in touch with the Minister or Session Clerk.

Your contribution can make a real difference.

*Below: Choir, Easter Sunday*

## The Choir - reflecting God's generous love

The music sung by the choir is chosen to follow the theme of the week's worship service, so it can be anything from the celebration and expectation of Palm Sunday and Easter Sunday to the reflection of Maundy Thursday and Good Friday. One of my favourites is "Deep Peace", which is about the peace, rest and reflection our Lord provides when we pray and listen to his guidance. "I'm gonna sing" is definitely the choir's theme and, as has been said many times, who would have thought being in the choir could bring such fun and fellowship? We hope the music we sing is a reflection of how we share the gifts we have been given and that you take away some meaning from the song's words.

If you would be interested in being part of the choir, even if just for a special celebration such as Christmas, you would be most welcome.

Isobel Watt

## Kinross Parish Church Family Activities

Over the spring members of our Kinross Parish Church family have found themselves walking to the top of East Lomond, doing a Strip the Willow at a Milnathort Ceilidh and joining the Crossfire teens for 10-pin bowling in Dunfermline. These all-age gatherings (ceilidh age range 3 to 83!) are a great way to get to know one another in an informal and fun setting.

Look out for dates for future events or, if you have a suggestion for an activity, please contact the Outreach Team.

## We are All Friends Together

All Friends Together welcomes adults with learning disabilities to a monthly celebration of Jesus.

We have been continuing our series of people who met Jesus and the impact He had on them. We have looked at Simeon, Peter and (doubting) Thomas. There was not a gathering in May as some of us went to the annual Prospects Holiday Weekend at Tulliallan Police College. Although it is exhausting, it is always worthwhile to see the smiles on everyone's faces. We did not play a leading part this year, but Alex Cant ran a music workshop. We are taking a summer break in July but we will be back on **Saturday 19 August at 11am.**

**Church Flowers - would you like to make a donation in memory of a loved one?**

Thank you so much to those who have most generously made donations over the past few months to the flower fund in memory of a loved one. Again a reminder if you would like to do this please contact the Church Office or speak to one of the flower team after the service on a Sunday. There is always someone preparing the flowers to be distributed within the parish.

**Table Talk - Zoom Chats and a Trip to Rossie Gardens**

*Table Talk started up during lockdown as a way for folk to chat together weekly on Zoom and has been so successful that it has continued. Occasionally they meet in person...*

On Thursday 13 April Table Talk went on a road trip to Rossie Gardens by Auchtermuchty. We enjoyed the views and countryside as we travelled there and it was lovely to meet face to face for our weekly chat while enjoying coffee and scones served to us.

The gardens were ablaze with beautiful yellow daffodils and other spring flowers. Some of us walked round the gardens to see the magnificent display and variety of daffodils (not deterred by the very heavy shower of rain!). It was a lovely morning enjoyed by us all.

We continue to meet on Zoom on Thursdays at 11am (details in weekly Church email) until our next trip out. All are very welcome to join us – we chat about anything and everything!

**Kathleen Weir and Christine Reid**

**Working Together with Flowers and Crafts**

Flowers in the church continue to be part of the Sunday service, especially at Easter time. This year was particularly special as it saw a collaboration between the Craft Group and Flower Group. Together we were able to decorate the church inside and out with daffodils: around 150 knitted daffodils were used to decorate the 12 foot high wooden cross which stands outside.

We hope you enjoyed the displays.

**Margaret Clark, Craft Group**

## Stepping Stones Welcoming the Under 5s

Stepping Stones has been meeting weekly since January. We are really encouraged to see an average of 16-24 children and their carers attending. They enjoy free play, stories, crafts and a time for singing some choruses. There is tea, coffee and biscuits and everyone enjoys a cuppa and plenty of chat.

At our meeting before the Easter holidays the children were treated to a knitted chicken filled with treats! The chickens were kindly knitted and donated by the ladies of the Craft Group and were greatly appreciated.

It is lovely to see the Church on a Tuesday morning buzzing with babies, toddlers and their carers and a wonderful band of very willing and enthusiastic helpers.

We plan to have a Teddy Bear's Picnic on **Tuesday 20 June** (last one before the summer holidays) in the church garden, so if you are passing pop by and say hi!

All pre-school children and parents/carers are welcome on Tuesday mornings term-time 10-11.30am.

Isobel Watt and Kathleen Weir

## Teamwork at the Allotment

This year the Church Eco-Team has a new 50-square-metre plot at Milnathort and Kinross Allotment Association. We have already started to prepare the ground and early planting has taken place. A team from the Duke of Edinburgh Award scheme has been helping, while the team from KYTHE has been involved with the Church garden and tidying up. Since early March, they have also dug and turned over the soil at the allotment. Vegetables, potatoes and strawberries have been planted. The Eco-team is currently in discussion with Crossfire youth group to develop a bio-diversity area within the churchyard.

**PS: Thank you to everyone who took part in the 15 April community litter pick, helping to keep Scotland beautiful!**

Jim Smith

## Learning New Skills through the Duke of Edinburgh Award Scheme

The Duke of Edinburgh Award scheme aims to empower young people and to support them as they learn new skills so they build confidence and resilience. Andrew R is currently completing his bronze award and has joined the church AV team to learn all about live broadcasting. "You really have to pay attention to make sure things go smoothly," says Andrew, "There are lots of different parts that make up each worship service, so it's pretty busy!"

Unless you sit upstairs in the gallery you won't necessarily be aware of the various elements of tech that support worship, but we all benefit from the team's expertise, so a big thank you to them for their work and for teaching Andrew.

Kinross Parish Church has supported this award scheme over many years, offering volunteer placements, and the congregation benefits from the young people's involvement. Best wishes to all the young people committing to the Duke of Edinburgh Award scheme.

## PRESBYTERY MISSION PLAN

### The future of our local congregations

The new Presbytery of Perth, incorporating five previous presbyteries, started in January 2023 and has been busy setting up its new office and appointing staff. Its first major task has been working on revised Mission Plans for the 'old' presbyteries of Dunkeld and Meigle, and of Perth, which included Kinross-shire. These plans set out the proposed

future of congregations, ministries and buildings.

The Presbytery met in May to approve these changes, which have now to be approved nationally. The congregations in our Parish Grouping of Kinross-shire churches with Arngask

(Glenfarg) have to meet together and approve mission goals as the focus for the coming year and report back by October 2023.

**Gordon McFarlane, Elder on Presbytery**

## What is Dungeons & Dragons?

This is a question I receive quite frequently. The other question I receive is what does Church have to do with Dungeons & Dragons? I will attempt a brief response.

Dungeons & Dragons, or D&D, is a table-top role-playing game. At its core it is a game about story telling where the players fill the role of a hero in the story. I tend to play the role of the Game Master, who is the narrator of the tale.

This leads to our Church youth exploring different facets of themselves through problem solving and being faced with moral dilemmas, as well as learning how to work together with one another as a team.

What does this have to do with Church and faith? For me, it sends a loud and clear message to our children, and even to our adults, that you are welcome at the Church. This place is your home as much as it is ours. It is an active invitation to see the house of God as your own home.

**Rev Austin Wicks**

## Walk by Faith *By Diane Taylor*

*He makes me lie down in green pastures.  
He leads me beside quiet waters*  
*Psalm 23:2 (NIV)*

Dear Father God,

Thank you for Your wisdom, compassion and care. You lead our steps and we study Your word to nourish our faith and grow to know You and trust You more each day. Walking by faith sounds so simple, Lord, but it is not just about meditating on Your word. We believe in Your promises, God, but sometimes it does not feel like You are giving us direction. Sometimes, instead, it feels like we do not have enough faith or perhaps our sin is blocking Your guidance and healing. However, Your word says, "if you have faith as small as a mustard seed, you will say to this mountain 'Move from here to there,' and it will move; and nothing will be impossible for you." (*Matthew 17:20 New KJV*)

Let us be still and sense Your presence, Lord. Let us breathe in a sense of Your peace and be assured that You hear the cries of our hearts, revealing Your plans to us at the right time, in the right place and in the right way. Your grace covers all that we do, for Your love is so deep for us that you patiently teach us to trust You, one step at a time through our difficult times. You teach us to follow the light and not to focus on the fear and uncertainty surrounding a situation. We can not reach the solution by worrying and trying to force positive outcomes, but we can reach the solution by surrendering all control to You. True freedom is only found through You, and we thank you for this gift. Lord, teach us then to surrender our hearts to You. You do not promise us a life free from all problems, but You do promise to help us on each step of our faith journey. How beautiful it is to be held in Your arms, secure in knowing how much we are loved, held, protected and provided for. As we learn to walk by faith, we thank You for walking with us as our true companion and friend. Amen

*If the Son therefore shall make you free, ye shall be free indeed.*  
*(John 8:36 KJV)*

**Traidcraft has ended but Fairtrade farmers need us even more!**

After more than 40 years Traidcraft, very sadly, is now in administration. This means that we can no longer buy some goods which Traidcraft produced using Fairtrade ingredients. However, the good news is that there are many Fairtrade products that we can still buy, and the farmers and producers depend on us buying their goods for their livelihood.

We have rice from Malawi, jams and sauces from Kenya, chutneys, curry sauce and marmalades from Eswatini, chocolate from Ghana, lentils from India and coconut milk from Sri Lanka, as well as Fairtrade tea and coffee. Please come and look at the stall at church or at the Farmers' Market, because it is more important than ever that we buy goods that we know have been produced in a sustainable way and the farmers and producers have been paid a fair price.

If we do not support the farmers in the Global South now, it is quite possible that they will no longer be able to farm at all, and that causes more problems for the planet and all of us.

There are so many problems that we face that it is difficult to know what we can do as individuals to make a difference, but choosing to buy Fairtrade is a positive step that we can all make, whether it is one item or many.

Karena Jarvie

## Christian Aid Week

**"With every gift, every action, every prayer, every one of us can change lives"**

A huge thank you to all who supported this year's Christian Aid appeal - the Big Pea Challenge - focusing on helping farmers in Malawi plant pigeon peas, a hardy, drought-resistant crop.

## KYTHE - dynamic Christian youth work in Kinross-shire

There has been a whirlwind of activity at KYTHE, from their successful inaugural car boot sale (so successful there's another one on 1 July!), being at the Better Place to Live Fair and delivering a range of exciting Easter holiday activities. The Better Place to Live Fair was a great opportunity to showcase local musical talent and encourage other young people who are budding musicians to get involved.

Back at the hub, KYTHE has been running a packed programme including cooking classes, art workshops, café nights, movie nights, study sessions, and drop-ins. During the art workshop, some of the young people went along to clean up the skate park with litter pickers and brushes, before getting down to some amazing spray paint artwork. Have a look when you are passing the skate park.

Looking ahead, KYTHE is excited to be taking a group to Magnitude at Scripture Union's Lendrick Muir in July. We are grateful to the support from local churches allowing the young people to attend at a reduced rate, knowing that this can be a life-changing event.

KYTHE has been making a real impact in the local community, while transforming young lives by giving young people in Kinross-shire the opportunities they need to reach their potential.

To find out more about KYTHE or to sign up for alerts and newsletters, visit [www.kythe.org.uk](http://www.kythe.org.uk) or follow us on social media.

## PILGRIMAGE OF PEACE TO SOUTH SUDAN

South Sudan is the world's newest country and is suffering from a civil war. In February, the Moderator of the General Assembly of the Church of Scotland, Rev Dr Iain Greenshields, took part in a Pilgrimage of Peace to South Sudan with Pope Francis and the Archbishop of Canterbury.

Dr Greenshields said: "I was humbled at the opportunity to support our brothers and sisters in their search for peace, reconciliation and justice. We came as servants of the global Church, joined in the unity of the Holy Spirit to offer our encouragement.

"The Churches in South Sudan – Presbyterian, Anglican and Catholic – have an important role to play in supporting efforts to bring peace. We pray that this visit will be a catalyst for the leaders of South Sudan to focus on what unites them and not what divides them, for they are all loved equally in the eyes of the Lord."

The Church of Scotland has an official partnership with the Presbyterian Church of South Sudan and has been working closely with churches there since 2015 to support vital work on peace, reconciliation and conflict resolution.

*From information on Church of Scotland website*

At the time of writing, violence has erupted in Sudan as well as South Sudan. Kinross Parish Church has a connection with this troubled area of Africa - back in 2004 Anne McCulloch was working in Darfur in Sudan with Tearfund. We hold both countries in our prayers.

## King Charles III - the significance of the crown

Later in the year, King Charles III will be welcomed to Scotland with a service of dedication and thanksgiving at St Giles Cathedral in Edinburgh. He will be presented with the Honours of Scotland including the Scottish Crown, the oldest surviving crown in Britain, and among the oldest in Europe.

But what is the biblical significance of a crown? In David's Psalm 21:3 God "welcomed him with the blessings of good things and set a crown of fine gold on his head." The crown is a symbol of how a monarch is a representative of God on earth, and points to Him as the only true authority. The significance of the crown is emphasized in Revelation 19:12 when we read of Christ with many crowns on his head. As the hymn says:

*"Crown him with many crowns,  
The lamb upon the throne  
... And hail him as thy matchless king  
Through all eternity."*

Later in Revelation, we see the elders placing their crowns before the throne and declaring glory and honour and power belong only to God. At the coronation of Queen Elizabeth II in 1953, the Archbishop said a prayer beginning with the words, "God crown you with a crown of glory and righteousness."

So the crown can be seen, not as a symbol of superiority, but a symbol of biblical humility.

### Our Father in Heaven,

We pray today for our new King Charles III.  
We pray also for Her Majesty, Queen Camilla  
That she may continue to provide him with support and companionship.  
Grant King Charles your peace as he commits himself to your service  
And that he may rule with wisdom, equity and justice.  
May he not feel the crown too heavy a burden to wear and  
that he will know you are walking with him, day by day.  
Help him to fulfil his vows and promises.  
May he follow the example of Jesus, the ultimate King of Kings.

God bless the King

### A Tribute

It is with sadness that we record the passing of George Paterson, one of our elders, who died on 3 February 2023. George was born locally and worked here all his life. He was ordained as an elder at the former Kinross East Church on 18 February 1973, almost 50 years of dedicated service. A good and faithful servant of our Lord.

### Trustee Report & Accounts for 2022

A short presentation was given to the congregation at the Stated Annual Meeting on 26 March, the key aspects of which were:

- Income was in line with 2021, though including a generous anonymous donation of £7,100
- Our largest expense (as usual) was our Ministry & Mission levy of £72,354, some £7,000 more than in 2021
- We sent US\$5,000 to our partner church in Debrecen, Hungary towards the cost of a shelter house in Ukraine for refugees
- We distributed all of the 2021 National Day of Giving donations, save for £1,660 earmarked for a community garden project, still at the planning stage
- Investment values fell by the close of 2022, contributing half of the overall net deficit of £11,094
- At the end of the year our net worth was £122,716, still a safe but not lavish amount, and some £10,000 less than the year before
- If you would like a copy of the full Trustee Report & Accounts, please contact the Church Office.

Unavoidably a budget deficit of more than £12,000 is anticipated for 2023, which KPC can sustain but not indefinitely. Please reflect on this and consider whether you might be able to lift your level of offerings in 2023. As the supermarket would say, "every little helps".
